Acoustic Panels for Walls & Ceilings

DécorSmartslat FR

Class B fire rated acoustic panels

The DécorSmartslat FR system has been fully tested as a system with an air gap and insulation behind replicating typical site conditions. Test results show this patent pending panel achieves Class B fire rating according to BS EN 13501-1. Panels are available in 2800mm x 600mm panels with a realistic Oak finish.

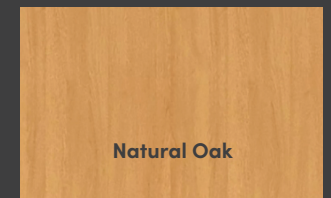

- Fully FR tested system
(test completed replicating typical site conditions)
- Large format panels available – 2800 x 600mm
- All projects supplied as FSC® Certified timber, with no added costs
